NOT\STANDARD

NOT\STANDARD is a versatile hospitality and lifestyle brand where design, authenticity, craftsmanship, creativity, and hospitality come together in a unique way. With our commitment to not being standard, we have the courage to make a difference, push boundaries, and create unforgettable memories. We embrace challenges and draw inspiration to create something extraordinary.

All of this comes from our inspiring location, which includes Café Kennedie, the shop with an extensive collection of interior accessories, the studio for interior design and styling, the event agency BYLEI, and our incredibly nice employees who give their best.

Together, this provides an extraordinary and rich experience.”

anything but standard
being who you want to be
different from the rest, special and authentic
caring for people, brands and planet
being unique
